

On **Sunday, September 20th**, **PARD Therapeutic Riding** is planning to hold its annual **Charity Games Show**, a fun day of competition for ALL riders, English or Western. It's in support of a great cause! And with public health guidelines to reduce the spread of COVID-19 incorporated into its planning!

For more than 37 years, **PARD** has been building confidence, skills and abilities on horseback in individuals of all ages and abilities through its therapeutic riding program..... a program which relies solely on volunteers and financial support from the community to run!

The COVID-19 pandemic has compelled **PARD** to cancel several of its fund-raising events as well as its 2020 summer riding season YET the costs of maintaining the facilities and providing the care that each of its 5 lesson horses requires, continue! *This year more than ever*, donations and sponsorships are critical for **PARD's** survival.

You can help! Please consider sponsoring a division of classes with a contribution of \$100, \$200 or more if you can, OR simply make a donation. Sponsors will be gratefully acknowledged on **PARD's** website, the sponsor board and newsletter. You can be assured that *ALL* of your dollars go directly to the support of the program, helping to defray the >\$50,000 annual operating costs.

Thank you for thinking about **PARD THERAPEUTIC RIDING** and the difference it makes in the lives of the riders it serves, their families and care-givers.
