To Whom It May Concern,

PARD Therapeutic Riding is a not-for-profit organization that provides therapeutic riding to individuals of all ages, with varying disabilities. We require volunteers to provide a Police Record Check, including the Vulnerable Sector Check, prior to working with the riders participating in our program and this letter holder is one of our prospective volunteers.

Please contact me or another of our board members via the contact information below if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Am', written over a horizontal line.
